Context: Exile & Peace Envoy

- After years of exile, the Pandavas returned stronger, their hardships forging resilience.
- Krishna visited Hastinapur to seek a peaceful settlement, requesting just five villages.
- Duryodhana rejected even this modest request and attempted to bind Krishna in court.

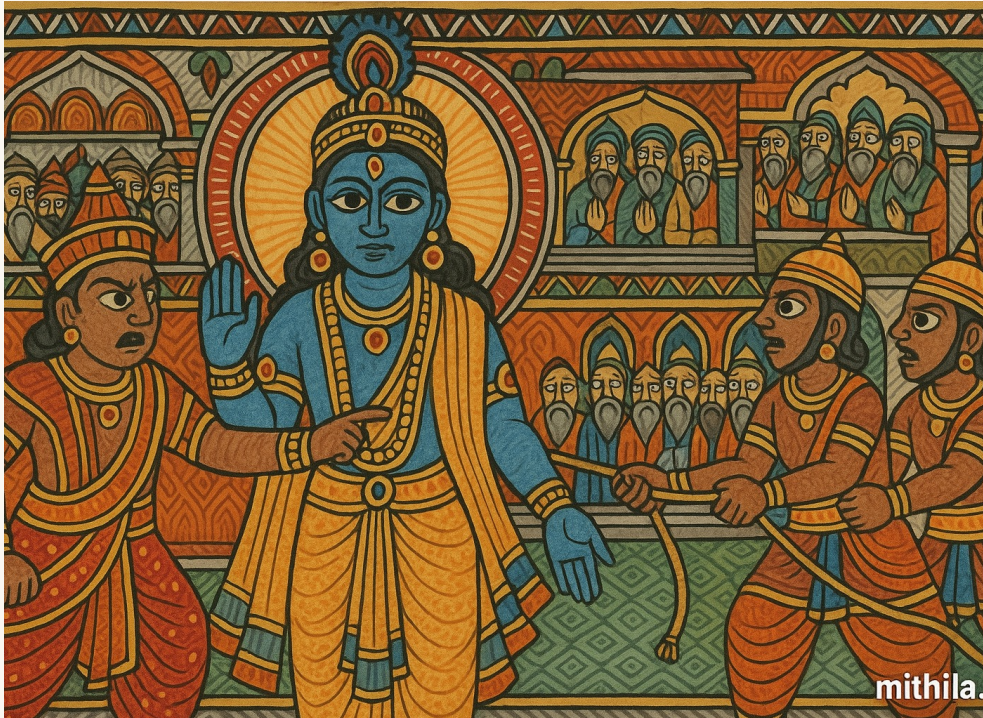

Peace Offer & Request

हो न्याय अगर तो आधा दो
पर इसमें भी यदि बाधा हो
तो दे दो केवल पाँच ग्राम
रखो अपनी धरती तमाम

"If justice prevails, grant us half the kingdom, or at least five villages—keep the rest for yourself. We will live happily and never raise weapons against our kin."

Arrest Attempt

दुर्योधन वह भी दे न सका, उलटे हरि को बाँधने चला
जब नाश मनुज पर छाता है, पहले विवेक मर जाता है

Duryodhana refused even this small request and tried to arrest Hari. When ruin approaches, a man's good sense dies first.

Cosmic Reveal

हरि ने भीषण हुंकार किया, अपना स्वरूप विस्तार
किया
डगमग डगमग दिग्गज डोले, भगवान् कुपित होकर
बोले

Hari roared and expanded his divine form. The mighty
hall trembled as he spoke with controlled fury.

Sky, Wind & Sound Dissolve

यह देख गगन मुझमे लय है
यह देख पवन मुझमे लय है
मुझमे विलीन झंकार सकल
मुझमे लय है संसार सकल

Look—the sky and wind vanish into Me; all sound and the entire world dissolve within Me. Eternal life blossoms and destruction hangs inside.

Vast Cosmic Body

उदयाचल मेरे दीप्त भाल, भूमण्डल वक्षस्थल विशाल
भुज परिधि बाँध को घेरे हैं, मैनाक मेरु पग मेरे हैं

My forehead glows like the rising sun; the Earth expands
across my chest. My arms encircle the cosmos; Mainak and
Meru rest beneath my feet.

Universe Within

दृक हो तो दृश्य अखण्ड देख, मुझमे सारा ब्रह्माण्ड देख
शत कोटि सूर्य शत कोटि चन्द्र, शत कोटि ब्रह्मा विष्णु
महेश

If you have eyes, see the entire universe within me.
Millions of suns and moons, countless Brahmas, Vishnus
and Shivas dwell inside this form. Rivers, oceans and
countless beings inhabit my body.

Time & Underworld

अंबर का कंतल जाल देख, पद के नीचे पाताल देख
मुट्ठी में तौनों काल देख, सब जन्म मुझी से पाते हैं

My hair stretches into the sky; beneath my feet lies the
underworld. In my fist I hold past, present and future. All
beings are born from me and return to me.

Fire & Wind

जिहवा से काढती ज्वाला सघन, साँसों से पाता जन्म
पवन
में जभी मूंदता हूँ लोचन, छा जाता चारो ओर मरण

Dense fire bursts from my tongue; the wind takes birth
from my breath. Where my gaze falls, creation laughs;
when I close my eyes, death prevails.

You Cannot Bind the Infinite

बाँधने मुझे तू आया है, जंजीर बड़ी क्या लाया है
यदि मुझे बाँधना चाहे मन, पहले तू बाँध अनन्त गगन

You come to bind me, but have you brought a chain vast
enough? If you would bind me, first bind the infinite sky.
One who cannot measure the void cannot bind me.

Final Vow: War is Inevitable

हित वचन नहीं तूने माना, मैत्री का मूल्य न पहचाना
तो ले, मैं भी अब जाता हूँ, अन्तिम संकल्प सुनाता हूँ
याचना नहीं, अब रण होगा, जीवन-जय या कि मरण होगा

You ignored my wise words and did not value
friendship. So I leave you with my final vow: there will
be war now—life's victory or death's embrace.

Cataclysmic War Vision

टकरायेंगे नक्षत्र-निकर, बरसेगी भू पर वह्नि प्रखर
फण शेषनाग का डोलेगा, विकराल काल मुँह खोलेगा

Constellations will collide, fiery rain will fall upon the earth. Sheshnaag will writhe and Time will open its gaping mouth.

Brothers Fight & Carnage

भाई पर भाई टूटेंगे, विष-बाण बूँद-से छूटेंगे
वायस-शृगाल सुख लूटेंगे, सौभाग्य मनुज के फूटेंगे
आखिर तू भूशायी होगा, हिंसा का पर दायी होगा

Brothers will break each other; poison arrows will rain down. Vultures and jackals will delight as man's fortune collapses. Eventually, you will lie upon the earth, responsible for all this violence.

Court's Reaction

થી સભા સન્ન, સબ લોગ ડરે, ચુપ થે યા થે બેહોશ પડે
કેવલ દો નર ના અઘાતે થે, ધૃતરાષ્ટ્ર-વિદુર સુખ પાતે થે
કર જોડે ખડે પ્રમુદિત નિર્ભય, દોનો પુકારતે થે 'જય-જય'

The assembly fell silent and fearful—some stunned, others unconscious. Only two men, Dhritarashtra and Vidur, stood fearless and joyous, raising their hands and crying, 'Victory! Victory!'

Lesson & Reflection

- Peace and justice must be honoured; ignoring righteous counsel invites catastrophe.
 - Krishna's calm yet overwhelming revelation reminds us that all worlds, gods and beings are interwoven, emerging from and returning to the same source.
 - Dinkar's poem warns that pride and obstinacy lead to self-destruction, while true strength lies in humility and harmony.
- May we heed this cosmic warning and choose the path of dharma.*
